The image displays two separate screenshots of a web browser window. Both screenshots show the same URL, `localhost:8080/quotes`, in the address bar. The browser interface includes standard controls like back, forward, and search, along with a toolbar featuring a star, gear, and other icons.

The content area of both windows is titled "Impresión con sangría" (with indentation) and contains a single JSON array:

```
[{"quote": "You are not the guy. You're not capable of being the guy. I had a guy but now I don't. You are not the guy.", "author": "Mike Ehrmantraut"}]
```

In the second screenshot, the JSON response is slightly different:

```
[{"quote": "The Universe is Random. Not Inevitable. It's simple Chaos.", "author": "Walter White"}]
```

The image shows two separate terminal windows side-by-side, both titled "Impresión con sangría".

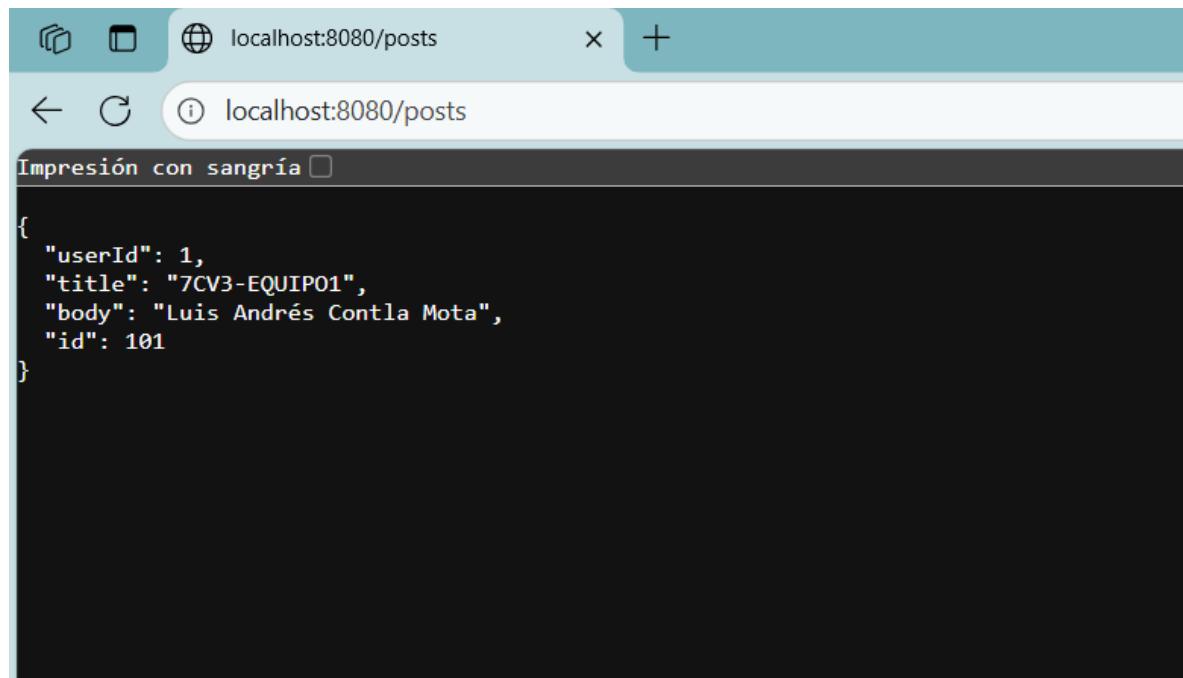

The top window's title bar says "localhost:8080/translate?text=Curiosity%20drives%20innovation%20and%20leads%20to%20great%20things%20-%20Luis%20Andrés%20Contla%20Mota" and its content is:

        "detectedSourceLanguage": "en"  
      }  
    ]  
  }  
}
```

The bottom window's title bar says "localhost:8080/translate?text=It%27s%20not%20about%20being%20smart%20-%20Luis%20Andrés%20Contla%20Mota" and its content is:
